Light when and where you need it

The SpotOn 360 series of compact LED lamps switch on automatically to provide easy orientation light. The light source can be angled in any direction, so you can point the light exactly where you need it.

Bright light for easy orientation

- Instant orientation light when and where you need it
- Ideal for dark hallways, under beds or in cupboards
- No mains power needed
- Batteries included for direct use (3 x AAA)

Smart sensor technology

- Turns on the light when there is motion
- The Smart sensor only works when it is dark, saving energy

Point the light where you need it

- Angle the light source in any direction

PHILIPS
